

*DueSpaghetti is a proud recipient of the Cannolo Award
for the preservation of authentic Italian food*

What is the purpose of the Cannolo Award?

To preserve authentic Italian food.

Who is eligible for the Cannolo Award?

Everyone blogging about authentic Italian food, not only those born in Italy.

How does it work?

The Cannolo Award can only be given to Authentic Italian Food Bloggers by another Authentic Italian food blogger.

Why is it just for authentic Italian food?

Because it started that way, but it doesn't have to stop there! If you agree with the philosophy, then please go ahead and create your award! For instance, if you are an Authentic Japanese Food Blogger, then create the Wasabi Award and give it to other authentic Japanese food bloggers.
